The Art of Herbal Science®
The Joy of Life in Balance

An Everlasting Energy

The sun. It nourishes every living thing in nature. It transforms time, change of seasons, and life as we know it. It's our purest, most powerful source of energy. Sunrider® products harness this perfect power. We expertly balance nature with science to innovate herbal products that inspire you to look and feel healthier, happier, younger, and more energised to create a life you love.

Because when you're riding the sun, it never sets.

AN ENERGY THAT CONNECTS

We invest in your holistic health and well-being—physical, mental, emotional, and financial—so you can live out your best life with the peace of mind that you have a true partner.

AN ENERGY THAT EMPOWERS

Sunrider sparks your passion for personal freedom and fulfillment, too. Our products, people, and plan make it easy for you to start a business and succeed on your own terms, in your own time.

AN ENERGY THAT NOURISHES

Led by our owners, our scientists craft safe, pure, and powerful herbal foods that feed your body, mind, and spirit, so you can live out your life in healthy balance.

Naturally Powerful

We formulate every Sunrider® product with a unique blend of herbs and whole foods using a proprietary process of extraction and concentration that ensures superior effectiveness and nutrient absorption. Safe, natural, and naturally powerful, our herbal foods and supplements are free of artificial sweeteners, chemical additives, and preservatives.

EVERYTHING IN BALANCE

When your body runs in balance, a healthy mind and spirit follow. That's why Sunrider® products holistically nourish (yin) and cleanse (yang) your body's five systems with a precise combination of nutrients that promotes optimal health. We call this the Philosophy of Regeneration®.

VARIETY OF INGREDIENTS

There is no perfect food or ingredient—and too much or too little of any one can unbalance your body. Your optimal health requires a vital variety of foods and nutrients, and you can find them in Sunrider® products.

FOODS, NOT CHEMICALS

Your body is designed to be nourished by food, not synthetic vitamins and other artificially processed foods. Sunrider® products maximise your body's absorption of concentrated nutrients from whole foods by preserving the integrity of their goodness with stringent quality control.

EXPERTISE AT EVERY TURN

Our founders are top-notch scientists and trusted experts: Dr. Tei-Fu Chen is a world-renowned herbalist with a degree in pharmacy and Dr. Oi-Lin Chen is a medical doctor. Their sons, Dr. Reuben Chen, also a medical doctor, and Eric Chen, an organic chemist, oversee the research, development, and manufacturing of every Sunrider® product.

Founded in Family

We're a company rooted in family. While our founders, Drs. Tei-Fu and Oi-Lin Chen, started Sunrider in Utah in 1982, their journey begins decades earlier in Tei-Fu's homeland, Taiwan.

Growing up, Tei-Fu was an unhealthy child. His grandfather cared for him with timeless Chinese herbal remedies. The medicinal properties of these plants were so powerful that they ignited in Tei-Fu a lifelong passion for Chinese herbal philosophy. While studying herbal medicine and pharmacology in college, he met and married Oi-Lin, a gifted medical student from Hong Kong. The couple paired their natural curiosity, scientific expertise, and shared entrepreneurial spirit to start a business that would change lives through natural herbal products like those that changed Tei-Fu's life all those years ago.

This founding philosophy fuels the Sunrider family business today. Dr. Tei-Fu Chen is a world-renowned herbalist with a degree in pharmacy and his wife, Dr. Oi-Lin Chen, is a licensed medical doctor. The Chen's five children help guide our global enterprise across nearly 50 countries and territories, in partnership with thousands of inspiring independent business owners and franchise store owners. We're a family and we welcome you to join us.

Expertly Made, by Our Experts

We are experts in the fields of health and science. While most companies hire or outsource their research, procurement, and formulation, we produce our products in our six innovative facilities worldwide using the most advanced pharmaceutical-grade machinery. By owning more than one million square feet of plant space, including our chemistry and microbiology labs, we control every aspect of manufacturing—not a single production step is outsourced. It's how we personally ensure the purity, integrity, safety, and effectiveness of every Sunrider® product. Without exception.

In 2018, the Sunrider's Los Angeles Manufacturing Plant earned certification from NSF International, an accredited, independent certification body that tests and certifies products to verify they meet stringent public health and safety standards. From extensive equipment testing to material analysis, every aspect of a product's development is thoroughly evaluated before it can earn NSF certification.

In 2022, to meet the demands of our growing distribution network, we moved our primary research, development, and manufacturing operations to our Dallas, Texas Manufacturing Plant. This state-of-the-art facility exceeds the Good Manufacturing Practices set by the U.S. Food and Drug Administration (FDA).

It takes an incredible 10 kg of raw herbs to get 1 kg of ingredients that meet our proprietary standards in products like our bestselling Quinary®.

From the Land to Your Hands

Superior ingredients yield superior products; that's the Sunrider promise.

THE ABSOLUTE BEST HERBS

We source herbs from every corner of the world; many are wild-crafted and non-GMO, farm-raised herbs from mineral-rich soils. We closely monitor the environment, ground, and growing seasons, in order to harvest herbs that deliver peak health benefits.

THE MOST RIGOROUS TESTING

Before we receive a single bulk shipment of herbs, we run extensive micro and identity testing to verify quality of purity. Equally rigorous testing is performed at every stage in manufacturing, too.

PROPRIETARY PROCESS

Our state-of-the-art manufacturing requires state-of-the-art machinery—conventional equipment simply cannot measure up. We pair our expertise of nature with proprietary formulation and pharmaceutical-grade machinery to extract exactly what we want from herbs, while maintaining their nutritional integrity.

PACKAGED TO PERFORM

We even do our own packaging to ensure performance through shelf life. Before it leaves our plant, every product undergoes high-tech temperature control and air-tight sealing processes to ensure its safety, purity, and effectiveness. We continually monitor storage conditions too.

DELIVERED WITH LOVE

Sunrider® products are sold exclusively through entrepreneurs in 50 countries and regions around the world. These inspiring Independent Business Owners share our unwavering passion for excellence. They love what they do and it shows.

FOCUSED ON FAMILY

Our company started with our own family and has expanded to embrace a worldwide network of entrepreneurs and customers like you. We're all connected, and we take great pride in taking care of you and your family with innovative, industry-leading products for now and for generations to come.

OWNERS EXPERTISE

Sunrider's balanced fusion of East and West, tradition and technology, stems from Sunrider's founders, who are experts in the fields of health, nutrition, and science.

Working with their parents, Dr. Reuben Chen applies his background to oversee business development and help formulate new products, and Eric Chen manages all aspects of the Los Angeles Manufacturing Plants.

This multigenerational expertise leads a team of scientists to design and create all Sunrider® products.

As a family-owned company, Sunrider takes great pride in developing the world's best products. And while we're proud of our success, we continue to innovate new products and technologies to ensure Sunrider remains the company for today and future generations.

SELF-MANUFACTURING

Sunrider owns and operates eight state-of-the-art manufacturing facilities worldwide, which collectively span over 185,000 sq. metres. Owning our own facilities, including chemistry and microbiology labs, enables us to control every aspect of the manufacturing process, from the cultivation and selection of our natural ingredients to product formulation and packaging. None of our production steps are outsourced—which is truly exceptional in the industry. Complete quality control ensures the integrity, safety, and exceptional quality of every Sunrider® product.

TRADE-SECRET TECHNOLOGY

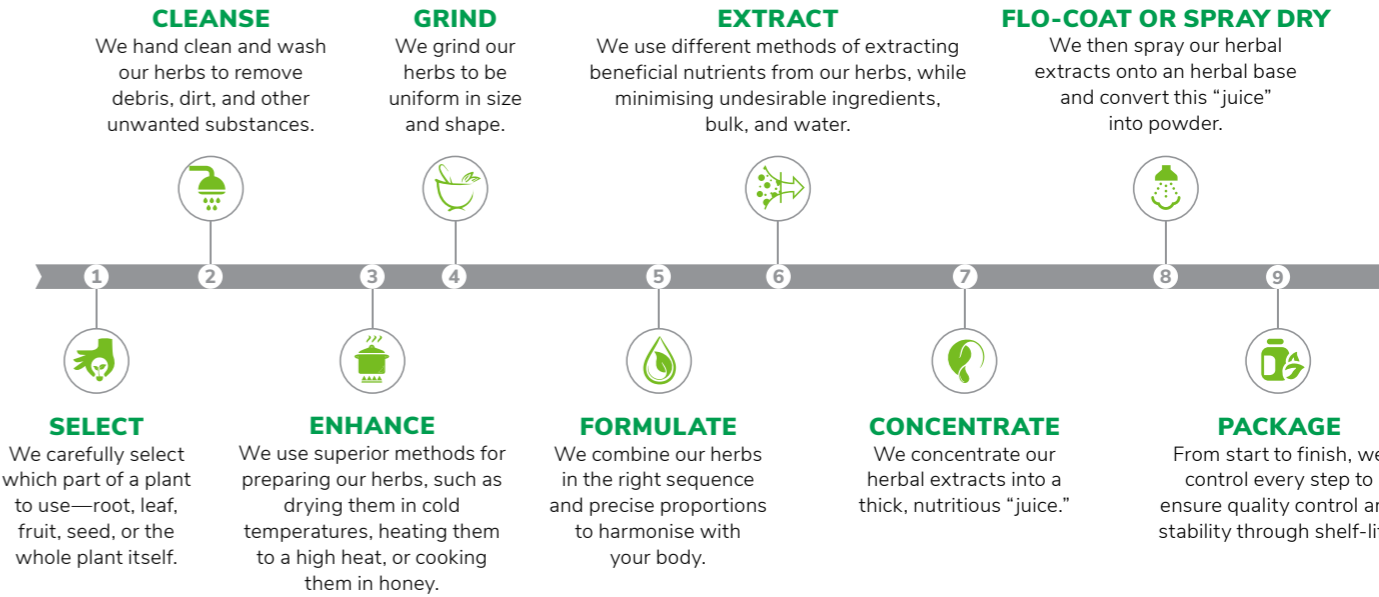

Sunrider uses a trade-secret manufacturing process to extract and concentrate all the beneficial nutrients from herbs. Without concentration, you would have to consume huge quantities of certain foods to obtain their benefits.

For example, one serve of VitaDelight® contains more Vitamin A (375 mcg) than 5 boiled eggs (370 mcg) and is also vegan-friendly. You don't have to eat or drink a lot to enjoy healthy benefits—concentration makes this possible.

Precise Makes Perfect

Exacting standards and equally precise manufacturing set our products above and apart. We expertly extract and concentrate all the beneficial nutrients from herbs, so your body can receive exceptional health benefits without having to eat an abundance of certain foods.

Unlike juicing or oils, which isolate ingredients and strip healthy aspects from plants, Sunrider® products provide a new level of nourishment that's as close to nature as you can get.

Our passion for health is the reflection
of our passion for humanity

HERBAL INNOVATION

CALLI®

A proprietary blend of green tea and herbal extracts, this “super tea” is made with our exclusive concentration method that enhances the release of tea catechins, bioflavonoids, and other potent antioxidants in a way not possible with traditional grinding. Calli® protects against free radicals while supporting your body’s natural cleansing and digestive processes, to ultimately boost the delivery of vital micronutrients. Delicious hot or cold, it makes a healthy replacement for coffee, tea, latte, and cola.

- Naturally enhances the flavour of any food and beverage
- Highly concentrated—a little goes a long way!
- Rich in antioxidants
- Zero sugar, carbs, or calories
- No added chemicals or preservatives

HOW TO USE

Add drops as desired to supplement food or drink.

FAQs

Q: What is Stevia®?

A: Stevia extract comes from Stevia rebaudiana, a plant that grows wild in parts of Paraguay and Brazil. The glycosides in its leaves include up to 10% steviolides, which gives it amazing sweetness and makes it unique. The main ingredient in SunnyDew® & Sunectar® is stevia, which can be up to 300 times sweeter than sugar. Start with a single drop—a little bit goes a long way!

Q: How is Sunrider stevia better?

A: Sunrider is an early innovator in stevia. In 1995, we successfully petitioned the US Food and Drug Administration (FDA) to lift the import alert on the extract of stevia leaves, clearing the way for the use of stevia as a dietary supplement in the US. Our purifying and concentration process preserves the natural structure of the stevia plant while maximising the delivery of antioxidants.

Q: How is Sunectar® different from SunnyDew®?

A: Sunectar® is a concentrated raw extract of stevia, while SunnyDew® is a purified extract concentrate of stevia. Sunectar® has a darker color and lower concentration of the sweet-tasting component of the stevia plant.

SUNETAR®

Satisfy your sweet tooth without the sugar, carbs, or calories. Sunectar® is powered by our uniquely purified, antioxidant-rich stevia and essential minerals like calcium, magnesium, folate, potassium, and iron. Just a few drops sweeten up your favorite dish or drink—without derailing your healthy lifestyle.

FAQs

Q: Isn't bacteria harmful?

A: While the idea of consuming bacteria can be unsettling, it's important to know the facts: Probiotics, or "friendly bacteria," are naturally found in foods like yogurt and miso, as well as inside your body. These beneficial bacteria can help improve gut health, boost immunity, and support many of your body's systems.

Q: How does beneficial bacteria become depleted?

A: Colonies of beneficial bacteria live inside your gut to help you properly digest food and absorb nutrients. Illness, gastrointestinal disorders, autoimmune diseases, chronic alcohol use, antibiotics, laxatives, and poor diet can deplete these critical colonies, wreaking havoc on your digestive system and causing abdominal discomfort, bloating, and constipation. VitaDophilus® is a convenient, effective way to naturally help rebuild gut flora and restore digestive balance.

BENEFITS

- Natural, fast-acting proprietary probiotic
- Promotes digestive balance and immune system health
- Supports intestinal comfort and function
- Delicious, natural apple flavor even kids love

VITADELIGHT®

Feed your hunger and fuel your body with this nutrient-dense, balanced shake. Made from concentrated whole foods, VitaDelight® fills your nutritional gaps with plant protein, vitamins, minerals, antioxidants, fibre, healthy carbs, and more—with low sugar and fewer than 100 calories per serving. Build it into your daily diet as a convenient meal or snack, at home or on the go.

2. Drink as is or sweeten to taste.

FAQs

Q: How is VitaDelight® different from other protein and meal replacement shakes?

A: VitaDelight® is free of the harmful ingredients commonly found in other shakes, including chemical additives and artificial flavours and sweeteners. VitaDelight® also has fewer than 100 calories per serving and is cholesterol-free and very low in sugar and sodium.

Q: Is VitaDelight® easy to digest?

A: Yes, because it's made from concentrated whole foods and natural vitamins and minerals. Unlike other shakes that contain chemically processed or animal-based protein powders, our soy protein fills nutritional gaps while supporting a healthy digestive track. VitaDelight® is easy-to-digest nutrition without the bloating or discomfort.

BENEFITS

- Convenient, balanced meal or snack
- Made from whole foods for maximum nutrient absorption
- No cholesterol or artificial sweeteners, flavors, or preservatives
- Low in sugar and sodium
- Fewer than 100 calories per serving

NUPLUS®

FAQs

Q: What makes SunBar® better than typical “energy bars”?

A: Unlike typical energy bars that are full of sugar, sodium, protein isolates or whey protein, trans fat, preservatives, and artificial ingredients, SunBar® is made from whole-food ingredients and herbs the body can easily absorb. SunBar® delivers solid nutritional value without empty calories and questionable ingredients.

Q: I've heard that carbohydrates are bad to eat. Why are the carbs in SunBar® a good thing?

A: SunBar® contains a high percentage of complex carbohydrates, which burn more slowly in the body than simple carbohydrates. SunBar® provides your body with an even level of long-lasting energy without spikes or crashes.

BENEFITS

- Provides balanced nutrition
- Rich in antioxidants
- Supports sustained energy with complex carbs
- Good source of fiber
- No artificial sweeteners, colors, or preservatives
- Makes a healthy snack, convenient meal replacement, or tasty dessert

FAQs

- Q: What is the “metal element”?**
- A:** In Traditional Chinese Medicine, health is the balance of five elements: wood, fire, earth, metal, and water. Each element has its own qualities in your body. Metal is associated with the lungs and large intestines, and its characteristics are determination, precision, and organisation. The “metal element” herbs in Conco® help balance your body with a combination of “warming” (cleansing, Yang energy) and “cooling” (nourishing, Yin energy) herbs.
- Q: How do I know if I have a “metal imbalance”?**
- A:** In Traditional Chinese Medicine, when your “metal element” is in balance, you may feel like you can do anything. Conversely, “metal imbalance” can negatively affect your respiratory, digestive, and skin health while adversely affecting your mood, causing grief or sadness.

BENEFITS

- Highly concentrated, natural herbal formula
- Balances your respiratory system
- Promotes healthy digestion and circulation

FAQs

Q: How does digestion work?

A: Simply put, digestion is the breakdown of food into smaller and smaller components, until they can be absorbed and assimilated into the body as nutrients, which then are used for energy, growth, and cell repair. Assimilaid[®] supports this entire process.

Q: How does A.D.[®] support digestion?

A: A.D.[®] is designed to address your digestive system with “earth element” herbs that help your body process food quickly and efficiently. In Ancient China, a similar formula was used to aid digestion in the stomach, lubricate the intestinal tract, and alleviate digestion-related ailments like heartburn and upset stomach. A.D.[®] is one of the five formulas in our bestselling Quinary[®], too.

BENEFITS

- Super-concentrated, naturally nourishing complex of herbs
- Promotes healthy digestion and regularity
- Provides antioxidant support

INGREDIENTS

Water, Sorbitol, Glycerin, Natural Flavours, Honey, Panthenol (Pro Vitamin B5), Luo Han Guo, Bromelain, Neem Tree Extract, Licorice Extract, Soy Lecithin, Lemon Oil, Thiamine HCl (Vitamin B1), Pyridoxine HCl (Vitamin B6), Bioflavonoids, Menthol, Bisabolol, Wintermelon, Cyanocobalamin (Vitamin B12), Date, Orange Peel, Bitter Orange, Chloride, Calcium, Potassium, Clove Oil, Eucalyptus Oil, Niacinamide (Vitamin B3), Biotin, Sodium, Magnesium, Zinc, Iron, Riboflavin (Vitamin B2), Manganese, Chromium.

INGREDIENT HIGHLIGHTS

VITAMIN B12

A member of the complex B group of vitamins, this water-soluble vitamin aids in the formation of red blood cells and helps your body's central nervous system function properly. This hardworking vitamin supports mood, energy, mental focus, memory, and the immune system.

HOW TO USE

Spray once or twice directly into mouth and enjoy a refreshing burst of natural ingredients that freshen the mouth.

FAQs

Q: Why should I take VitaSpray®?

A: Vitamin B12 can't be made by the body; instead it must be obtained from food or supplements. Vitamin B12 is found primarily in meat and dairy products, so vegans and strict vegetarians are particularly at risk for a deficiency. Additionally, elderly people who suffer from certain gastrointestinal disorders are at risk because their bodies have difficulty absorbing the normal type of B12 that is in food. A National Health and Nutrition Examination Survey estimated that 3.2% of adults over age 50 have a seriously low B12 level, and up to 20% may have a borderline deficiency.

Q: What is the benefit of using a spray bottle?

A: The spray bottle provides a convenient way to deliver B12 and other nutrients under the tongue for immediate absorption into the bloodstream. And there's no worry or hassle about having to swallow tablets or endure a painful injection. And that's not all, VitaSpray® also tastes great too, so you'll actually enjoy taking it!

BENEFITS

- Quick, easy way to get vitamin B12 and minerals
- Supports energy and mental focus
- Tasty and freshens breath
- Sublingual delivery system for rapid absorption

EVERGREEN®

Evergreen® provides an easy way to get the powerful antioxidants and phytonutrients of dark leafy vegetables in one tasty shot. Powered by liquid chlorophyll, Evergreen® enhances energy by supporting the circulatory system in the transport of oxygen, nutrients, and other elements to the body's systems. Your body will love the clean energy, enhanced endurance, and reduced recovery time. Peppermint oil lends a fresh, clean flavor and aids digestion too.

HOW TO USE

Add one 15mL bottle of Evergreen® to 250mL of Fortune Delight®, water or other drink and enjoy during the day.

FAQs

Q: Why should I take Evergreen®?

A: We don't always have the time to eat a big bowl of nutrient-rich salad or veggies. Evergreen® is a quick, convenient way to obtain the nourishing phytonutrients and protective antioxidants of green leafy vegetables in one tasty shot.

Q: Evergreen® tastes great. Does it contain artificial sweeteners or flavors?

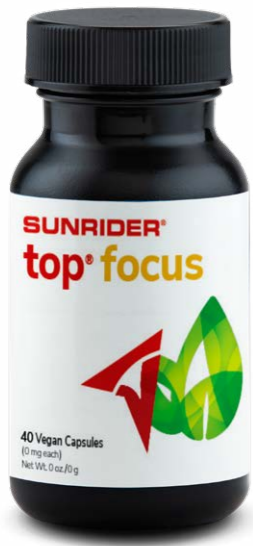

A: Evergreen® contains no artificial flavors, sweeteners, colors, or preservatives. Made with only pure, natural ingredients, this liquid herbal concentrate goes through a special extraction process that preserves the natural sweetness of its ingredients.

HOW TO USE

For best results, we recommend taking 1 to 2 capsules of Top® Focus during the morning or afternoon or when you want to feel alert and ready to perform.

FAQs

Q: How is Top® Focus different from other “mental performance” products?
A: Many of these products contain stimulants, or they contain just a few key ingredients that only work on one neural pathway. Top® Focus is different because we synergise herbal extracts such as Gingko biloba, Chinese club moss, and green tea, plus minerals, amino acids, lipids, and vitamins known to support brain health and function.

A: How long do the benefits last, and will it negatively affect my mood or sleep?
Q: Top® Focus starts working in 15 minutes and lasts for about 4 hours. Made with select natural ingredients and free of sugars and added stimulants, it won't make you feel agitated, cause an energy crash, or interfere with sleep.

BENEFITS

- Supports focus, mental clarity, and memory
- Promotes confidence and calm alertness
- Fast-acting—feel sharper in 15 minutes
- Natural ingredients, with no added stimulants
- Crash-free, jitter-free, non-habit forming

ESE®

Our relaxing Ese® formula naturally soothes anxiety, stress, and sleeplessness, so you feel calm, rested, rejuvenated, and ready to be your best. Ji Tsau root alleviates tension, muscle spasms, and congestion while antioxidant-rich gou teng and sophora japonica support immunity. Ese® is non-habit forming and won't cause drowsiness.

INGREDIENT HIGHLIGHTS

VALERIAN ROOT

This herb has long been used as a mild sedative to alleviate tension, stress, and insomnia. It also holds the power to ease congestion and relieve muscle spasms.

GOU TENG

This ancient Chinese herb, uncaria rhynchophylla, has been used for centuries to support healthy blood pressure. Its significant antioxidant properties may also boost immunity, digestion, and circulation.

SOPHORA JAPONICA

This flower contains two potent flavonoids, troxerutin and oxymatrine, which exhibit strong antioxidant activity and support circulatory system health.

PANAX GINSENG

This herb is used in traditional herbal medicine to support energy, stamina, endurance, as well as concentration and memory.

HOW TO USE

Consume one 15mL bottle of Sunrise® at meal time.

FAQs

- Q: How is Sunrise® different from other energy drinks or shots?**
A: Most energy drinks contain large amounts of caffeine, sugar, and other substances. These products may provide a jolt of energy, but it will spike and ultimately result in a “crash” and even more fatigue. Sunrise® avoids this problem with its natural crash-free formula, which contains no added stimulants or artificial sweeteners, colors, or preservatives. What you get is pure, clean, sustained energy. And the handy 15-mL vial makes it easy to take it with you wherever you go.
- Q: How can Sunrise® help me during my daily routine?**
A: You can think of Sunrise® as pure liquid energy in a vial. It’s great to take whenever you need a “pick-me-up” at work, school, or on the go to help keep your mind sharp and focused and your body naturally energized, especially during long days. It’s also good to take before working out, as it’s designed to help you work out longer with more intensity.

BENEFITS

- Instant, low-calorie energy boost
- Provides powerful antioxidants
- Made with natural ingredients
- Supports focus and memory
- No crash and won’t keep you up at night
- No chemicals, caffeine, or artificial sweeteners

ELECTROSPORT®

Don’t let your performance suffer when you’re working up a sweat. Our liquid herbal concentrate provides an instant boost of electrolytes—sodium, potassium, and magnesium—and 10 important minerals in one handy shot. Simply add it to water or Fortune Delight® to replenish and revitalise your body after workouts or anytime you want healthy hydration.

INGREDIENT HIGHLIGHTS

POTASSIUM

This vital macromineral plays a key role in your overall health and well-being. It helps maintain proper fluid levels, ensure the muscles and nerves are working appropriately, and keep the heart beating regularly.

MAGNESIUM

One of the seven essential macrominerals, magnesium plays a big role in both anaerobic and aerobic energy production, particularly in the metabolism of adenosine triphosphate (ATP), the “energy currency” of the body.

HOW TO USE

Add one 15mL bottle of ElectroSport® to 2 litres of Fortune Delight®, water or other drink and enjoy throughout the day.

FAQs

- Q: What are electrolytes and why are they important?**
A: Electrolytes are minerals that conduct an electrical charge when mixed with water. They help regulate a variety of your body’s most essential functions, including hydration, pH balance, nerve signaling, and muscle contraction.
- Q: Why do we need to replenish electrolytes?**
A: The balance of electrolytes in your body can be easily altered by sweating, vomiting, and diarrhea. People who exercise regularly should replace their electrolytes by drinking a healthy liquid concentrate like ElectroSport®.
- Q: What are some of the key minerals in ElectroSport®?**
A: ElectroSport® contains a wide spectrum of key minerals, including calcium, potassium, magnesium, zinc, iron, manganese, chromium, and chloride.

BENEFITS

- Replenishes electrolytes and minerals lost during perspiration
- Ideal for athletes and people with active lifestyles
- Super-concentrated formula
- No artificial colors, flavors, or added sugar

SPORTCAPS®

Fitness isn't a destination; it's about constantly pushing forward and testing your limits. And SportCaps® is designed to help. Ideal for athletes or anyone with an active lifestyle, our antioxidant-rich herbal formula is powered by bee pollen, a natural superfood that nourishes and energizes, plus cleansing cassia tora, and endurance-enhancing ginseng. Enjoy pure, clean energy and recover faster, without the caffeine crash.

INGREDIENT HIGHLIGHTS

BEE POLLEN

This superfood is considered one of nature's most completely nourishing foods, containing vitamins, minerals, carbohydrates, lipids, and protein. The range of nutrients found in bee pollen makes it a great natural energizer.

SIBERIAN GINSENG

This perennial plant has been used in China for thousands of years to boost energy and endurance and reduce fatigue.

CASSIA TORA

ACTION CAPS® FIT

Turn up the fat-burning power of your metabolism to support weight loss and optimal fitness results. Packed with a potent blend of super-concentrated green tea and extracts of garcinia fruit, rosemary, and lingonberry, our antioxidant-rich herbal formula jump-starts a thermogenic effect that activates brown fat to burn off white fat. No jitters or sleeplessness, just naturally effective results.

INGREDIENT HIGHLIGHTS

LINGONBERRY EXTRACT

Lingonberries are packed with antioxidant power in the form of plant chemicals called polyphenols. Studies have shown lingonberries prevent fat deposition and thus lingonberry extract may support weight loss.

MANGOSTEEN FRUIT

This tropical fruit is referred to as the “Queen of Fruits and is rich in Xanthones, which help to counteract oxidative stress caused by free radicals. It is also high in antioxidants and is anti-inflammaroty.

GREEN TEA CONCENTRATE

This herbal extract contains tea catechins, naturally occurring polyphenols that may have a positive effect on both lipid and carbohydrate metabolism.

HOW TO USE

Take three capsules, three times a day with meals.

FAQs

Q: How does Action Caps® Fit help me burn fat?

A: Key to this formula's effectiveness is how it targets a specific type of fat in the body. Your body has brown fat (energy burning) and white fat (energy storing). Brown fat has the unique capacity to reduce white fat by activating thermogenesis, a metabolic process in which brown fat uses white fat as fuel and burns energy (calories) to be used for body heat.

Q: Why is brown fat considered a “good fat” and white fat considered a “bad fat”?

A: Because brown fat burns calories, this type of fat can help you maintain a healthy weight, in addition to helping you stay warm. Brown fat is more closely related to muscle than to white fat and becomes activated when you get cold. Activated brown fat uses white fat as fuel and burns more energy (calories) to be used for body heat.White fat is the adipose fat found below the skin and around the organs. White fat is much more plentiful than brown fat and does little to burn calories like brown fat does. Typically found on the belly, buttocks, and thighs, it's the fat most of us attempt to lose.

BENEFITS

- Supports fat loss
- Boosts metabolism
- Promotes brown fat to burn more calories
- Good source of antioxidants
- Supports energy
- No laxatives, stimulants, or artificial additives

FAQs

- Q: What is an oil-based cleanser and why is it important?**
A: It's not only important to remove makeup and sunscreen, but also dirt and pollution that accumulate on our skin during the day. This collective debris causes oxidative damage to the skin and can also contribute to the breakdown of collagen and development of wrinkles and discoloration. Kandesn® Pure Cleansing Oil gently cleans contaminants and excess sebum, as well as deeply penetrating the pores to dissolve oily dirt and grime.
- Q: Can I use this product on oily skin?**
A: Yes, Kandesn® Pure Cleansing Oil is perfect for all skin types, including oily skin. Many oil-free cleansers strip the skin and upset the natural balance of oils, resulting in the overproduction of oil. Kandesn® Pure Cleansing Oil removes dirt and debris from the pores while maintaining the skin's natural oil levels to keep your complexion clean, balanced, and healthy.

INGREDIENTS

Cetyl Ethylhexanoate, Coconut Alkanes, Prunus Armeniaca (Apricot) Kernel Oil, PEG-20 Glyceryl Trisostearate, Simmondsia (Jojoba) Seed Oil, Glycine Soja (Soybean) Oil, Polyglyceryl-10 Diisostearate, Stearyl Heptanoate, Coco-Caprylate/Caprates, Carthamus Tinctorius (Safflower) Seed Oil, Tocopherol, Eucalyptus Globulus Leaf Oil, Helianthus Annuus (Sunflower) Seed Oil, Rose Oil Turkish, Arnica Montana Flower Extract, Menthol, Panax Ginseng Root Extract, and Aloe Barbadensis Leaf Extract.

KANDESN® PURE FOAMING CLEANSER

Our water-based cleanser gently lifts away dirt, sweat, and other pore-clogging impurities without irritating or stripping your skin of vital moisture. Nourishing herbal extracts from chamomile flower, inula helenium, and beet root purify, hydrate, and protect your skin while allantoin and rose flower water help calm, tone, and revive radiance.

BENEFITS

- Cleans, purifies, and refreshes
- Helps prevent clogged pores and breakouts
- Leaves skin's natural moisture barrier intact
- Antioxidants counteract free radical damage
- Cruelty-free and vegan friendly
- No parabens, sulfates, dyes, fragrances, or harmful chemicals

FAQs

- Q: What is a double cleanse?**
A: The double cleanse involves washing your face in two steps: First by using an oil-based cleanser like Kandesn® Pure Cleansing Oil, followed by a water-based cleanser like this product. The first step draws out oil-based impurities such as makeup, sebum, sunscreens, and pollutants, while the second step cleanses water-based debris such as sweat and dirt. Our foaming cleanser not only purifies your skin, it also revs up your skin's circulation to boost radiance.
- Q: I have very sensitive skin. Can I use this product?**
A: As with all products in the Kandesn® Pure skincare line, our foaming cleanser is ideal for all skin types, is cruelty-free, and contains no added fragrances, harsh chemicals, or animal by-products. It's skincare that will make you look good, and you can feel good about using it.

---------------------------------	----------

INGREDIENT HIGHLIGHTS

WITCH HAZEL
Revives skin radiance and tightens pores.

ROSA FLOWER WATER
High in vitamin C, tones and has antioxidant benefits.

CHAMOMILE
Soothes skin and is anti-inflammatory.

HOW TO USE

Mist the face or saturate a cotton pad and smooth over face and neck in circular motions after cleansing. Reapply as needed, depending on the climate and/or skin condition.

FAQs

- Q: How can this product help my skin?**
A: Think of Kandesn® Pure Beauty Water as prep for your pores. It helps thoroughly remove any residual cleanser or makeup left behind after cleansing. It also gently exfoliates your skin and helps restore its natural pH level, leaving your skin clean, clear, and ready to absorb your skincare products.
- Q: Why is pH balance so important?**
A: Our skin is naturally acidic, and its optimal pH value lies between 4.7 and 5.75 (on a scale from 0 to 14). But that balance can be disrupted after cleansing due to the alkaline nature of many soaps and cleansers, and also by environmental factors such as air, water, sun, and pollution. When this happens, your skin's protective acid mantle needs to work overtime to return to its normal levels (and that may result in excess oil production), but using a pH-balanced toner can help quickly restore this balance.

INGREDIENTS

Water (Deionized), Pentylene Glycol, Hamamelis Virginiana (Witch Hazel) Water, Glycerin, Rosa Centifolia Flower Water, Hydroxyacetophenone, Panthenol, Niacinamide, Alcohol, Butylene Glycol, Disodium EDTA, PPG-26 Buteth-26, Sodium PCA, Allantoin, Fructooligosaccharides, PEG-40 Hydrogenated Castor Oil, Beta Vulgaris (Beet) Root Extract, Dipotassium Glycyrrhizate, Propylene Glycol, Potassium Lactate, Lactic Acid, Rose Oil Turkish, Porphyr Yezoensis Extract, Inula Helenium Extract, Chamomilla Recutita (Matricaria) Flower Extract, and Benzoic Acid.

Powerful humectant that boosts hydration and elasticity.

ARNICA MONTANA (WOLFSBANE)
Provides lasting hydration and promotes circulation.

HOW TO USE

Hydrating Gel Cream: Use morning and evening, after cleansing and balancing. Place a small amount on five points of the face (forehead, nose, chin, and each cheek). Smooth from the center outward.

FAQs

- Q: How does this product fit into the Kandesn® Pure skincare regimen?**
A: Kandesn® Pure Hydrating Gel Cream follows cleansing and balancing and is the final step in Kandesn® Pure's gentle yet effective 4-step skincare regimen.
- Q: How does sodium hyaluronate (HA) benefit the skin?**
A: As a humectant, sodium hyaluronate has the capacity of drawing in moisture from the environment and helping the skin retain it. Water soluble and with a smaller molecular size than "regular" HA, it's able to penetrate deeper into the skin and provide better hydration. It's commonly used to improve skin firmness, smooth wrinkles, and hydrate skin.

WHY WE NEED SKIN CARE

SKIN CARE PROCEDURES

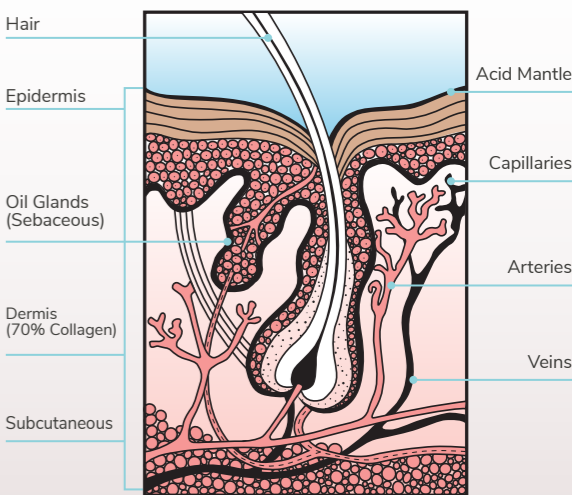

Nourish, balance, and protect your skin with our products (*Yin/In*). Cleanse toxins and impurities, and get your glow on (*Yang/Out*).

Skin is fortified by a shield called the acid mantle, which is only slightly acidic (with a pH between 5.5 and 6.5) and acts as a protective barrier.

Many companies use high-alkaline products of pH 8 and up, which strip the skin of this precious, protective acid mantle barrier. This leaves the skin prone to disorders, including wrinkles, dry skin, infections, and blemishes. In contrast, all Kandesn[®] skin care products are pH-balanced to reinforce and work harmoniously with the acid mantle. This helps keep your skin looking young, firm, and vibrant—for only when the skin is permitted to function at its best can it look truly beautiful.

INGREDIENT HIGHLIGHTS

ALOE VERA GEL
Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing and anti-aging qualities. It moisturises the skin without making it greasy, which makes it suitable for those with oily skin.

HYDROLYZED SOY PROTEIN
This ingredient is rich in essential amino acids vital to protein synthesis of both hair and skin. It supports the ability of the skin to hold moisture and provides a smoothing effect for minimizing the appearance of roughness and wrinkles.

GRAPEFRUIT EXTRACT
The retinol in grapefruit extract repairs skin damage and fights fine lines. The astringent properties of this citrus extract help clear and tone the skin.

HOW TO USE

Spread an ample amount of product over the entire face. Gently massage entire face with fingertips. Remove the cream with a damp cotton facial cloth. Oi-Lin Cleansing Cream is part of Sunrider's special dual-cleansing system, in which use of the cleansing cream (an oil-based cleaner to remove makeup and oil) is followed by Oi-Lin Revitalising Cleanser for deep cleansing of the pores. For best results, follow with Oi-Lin Facial Toner and Oi-Lin Deep Moisture Lotion.

FAQs

Q: Why is cleansing cream needed?
A: Properly done, cleansing removes all that dirt, sweat, and other pollutants your skin naturally collects throughout the day and night. This debris can clog pores and contribute to conditions such as acne, puffiness, and dull, dry, prematurely aging skin.

INGREDIENTS

Water (Deionized), Tea-Lauryl Sulfate, Cocamidopropyl Betaine, Glycerin, Sodium Cocoyl Sarcosinate, Aloe Barbadensis Leaf Juice (Aloe Vera Gel), Phenoxyethanol, Panthenol, Citric Acid, Fragrance, Sodium PCA, Hydrolyzed Soy Protein, Styrax Benzoin Resin Extract, Avena Sativa (Oat) Kernel Protein, Methylparaben, Cirtus Grandis (Grapefruit) Fruit Extract, Butylparaben, Chamomila Recutita (Matricaria) Flower Extract.

OI-LIN® REVITALIZING CLEANSER

Oi-Lin® Revitalizing Cleanser combines deep-pore cleansing with the softening, smoothing, and moisturising effects of a soothing mask. The botanically based formula removes impurities on the surface without disturbing the skin's precious pH acid balance. Your skin will feel refreshed and energised each time you use it.

STEP 2

NET WT.
2 fl. oz. / 60 mL

BENEFITS

- Deep cleans pores
- Refreshes and energises the skin
- Softens, soothes, and moisturises
- Herbal extracts nourish and balance the skin
- Maintains proper pH balance of the skin

PRODUCT CODE

60mL #40022

INGREDIENT HIGHLIGHTS

ALOE VERA GEL
Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing and anti-aging qualities. It moisturises the skin without making it greasy, which makes it suitable for those with oily skin.

HYDROLYZED SOY PROTEIN
This ingredient is rich in essential amino acids vital to protein synthesis of both hair and skin. It supports the ability of the skin to hold moisture and provides a smoothing effect for minimizing the appearance of roughness and wrinkles.

GRAPEFRUIT EXTRACT
The retinol in grapefruit extract repairs skin damage and fights fine lines. The astringent properties of this citrus extract help clear and tone the skin.

HOW TO USE

Dispense a pearl-sized amount of Oi-Lin Revitalizing Cleanser onto hand. Add water and rub product between hands. Gently massage onto skin. Rinse with water and pat skin dry with a clean, cotton towel. For best results, follow with Oi-Lin Cleansing Cream to gently remove oily impurities without stripping skin's protective barrier. Next use Oi-Lin Revitalizing Cleanser to deeply cleanse pores of water-based debris while soothing and softening skin.

FAQs

Q: Why do I need two cleansers?
A: To thoroughly clean both oil-based impurities (like excess sebum, sunscreen, and makeup) and water-based impurities (such as sweat, dead skin cells, and bacteria) from your skin, two kinds of Oi-Lin cleansers are recommended: Use Oi-Lin Cleansing Cream to gently remove oily impurities without stripping skin's protective barrier. Next use Oi-Lin Revitalizing Cleanser to deeply cleanse pores of water-based debris while soothing and softening skin.

INGREDIENTS

Water (Deionized), Tea-Lauryl Sulfate, Cocamidopropyl, Betaine, Glycerin, Sodium Cocoyl Sarcosinate, Aloe Barbadensis Leaf Juice (Aloe Vera Gel), PEG-4 Rapeseedamide, Phenoxyethanol, Panthenol, Citric Acid, Fragrance, Sodium PCA, Hydrolyzed Soy Protein, Styrax Benzoin Resin Extract, Avena Sativa (Oat) Kernel Protein, Methylparaben, Cirtus Grandis (Grapefruit) Fruit Extract, Butylparaben, Ethylparaben, Propylparaben, Chamomilla Recutita (Matricaria) Flower Extract.

OI-LIN® WARM FACIAL SCRUB

Oi-Lin® Warm Facial Scrub warms your face, stimulating circulation and opening pores to provide a deep cleansing. As you scrub, you can feel the jojoba beads massaging and exfoliating. The highly concentrated, non-alkaline formula helps to smooth and firm the appearance of your skin, diminishing the appearance of imperfections and wrinkles. Try Oi-Lin® Warm Facial Scrub today, for a spa-quality facial in the comfort of your own home.

STEP 3

NET WT.
2 oz. / 60 g

BENEFITS

- Exfoliates and deeply cleanses the skin
- Natural ingredients warm and soothe the skin
- Opens pores for deep cleaning
- Reduces appearance of wrinkles
- Non-alkaline

PRODUCT CODE

60mL #40032

INGREDIENT HIGHLIGHTS

ALOE VERA
This popular succulent plant is rich in vitamin C, E, and beta carotene, which gives it its nourishing and anti-aging qualities. It moisturizes the skin without making it greasy, so it's suitable for those with oily skin.

TOCOPHERYL ACETATE
This form of vitamin E is a known moisturiser and antioxidant that can reduce the signs of aging.

IMPERATA ROOT
This skin-conditioning root is high in potassium, which helps the skin retain moisture.

JOJOBA
This emollient desert plant soothes skin while cleaning pores and follicles.

HOW TO USE

After cleansing with Kandesn Cleansing Cream, wet face with water, apply a dime-sized amount of Oi-Lin Warm Facial Scrub to fingertips and rub directly on the face—you will experience a warm sensation. Rinse with water. Pat dry with a 100% cotton towel.

FAQs

Q: How often should I use this product?
A: Use once a day. Or, if your skin is sensitive, use once every few days.

Q: What is the benefit of non-alkaline skin care products like Oi-Lin® Warm Facial Scrub?
A: Alkaline products can damage the delicate skin of the face, so it becomes dry and sensitive, which can destroy collagen and lead to wrinkles, sagging, dullness, and inflammation. Use non-alkaline skin products to match and help maintain your skin's natural, slightly acidic pH balance.

INGREDIENTS

Ethoxydiglycol, Sodium Cocoyl Isethionate, Glycerin, PEG-6 Caprylic/Capricglycerides, Jojoba Esters, Hydroxypropyl Methylcellulose, Disodium Lauryl Sulfosuccinate, Jasminum Officinale (Jasmine) Flower Extract, Imperata Cylindrica Root Extract, Bisabolol Panthenol, Allantoin, Aloe Barbadensis Leaf Juice (Aloe Vera Gel), Tocopherol, Phenoxyethanol, Methylparaben, Ethylparaben, Propylparaben, Butylparaben, Isobutylparaben, Fragrance.

OI-LIN® FACIAL TONER

Invigorate skin while tightening visible pores and restoring its natural pH balance. Cucumber extract softens and hydrates, Rosa centifolia flower water conditions and moisturises, and green tea and thyme extracts moisturise and protect, prepping skin for deep hydration.

STEP 4

NET WT.
4 fl. oz. / 120 mL

BENEFITS

- Refreshes and soothes the skin
- Helps tighten the appearance of pores
- Preps skin for the application of moisturisers and foundation
- Helps balance and maintain skin's protective acid mantle
- Formulated with safe, natural ingredients
- Gentle, alcohol-free formula, ideal for sensitive skin

PRODUCT CODE

120mL #01250

INGREDIENT HIGHLIGHTS

CUCUMBER EXTRACT
Providing natural emollient properties, cucumber helps soften and hydrate the skin. The lutein component of cucumber may help suppress melanogenesis, the process that leads to skin discolorations.

SODIUM PCA
This naturally occurring humectant has high water-absorbing properties and even has the ability to absorb moisture from the air.

THYME EXTRACT
This delicate herb contains powerful antioxidants that can help protect skin from free radical damage that can lead to premature aging.

HOW TO USE

Saturate cotton pads and gently pat entire face with upward strokes.

FAQs

Q: Why should I use a facial toner?
A: Facial Toner completes the cleansing process by ensuring complete removal of dirt, oil, and makeup. In addition to lifting off any residual impurities, it leaves your skin refreshed and perfectly prepped for optimal absorption of moisturizers and targeted treatments.

Q: How should Oi-Lin® Facial Toner fit into my daily skincare routine?
A: For best results, use Oi-Lin® Facial Toner twice a day, morning and night, after cleansing with Oi-Lin® Cleansing Cream and Oi-Lin® Revitalizing Cleanser. Daily use of Oi-Lin® Facial Toner will leave your skin looking and feeling clean, refreshed, and hydrated.

INGREDIENTS

Water (Deionized), Cucumis Sativus (Cucumber) Fruit Extract, Glycerin, Rosa Centifolia Flower Water, Chamomilla-Recutita (Matricaria) Flower Extract, Disodium Cocoamphodipropionate, Phenoxyethanol, Sodium PCA, Benzethonium Chloride, Citric Acid, Ethylhexylglycerin, Styrax Benzoin Resin Extract, Thymus Vulagris (Thyme) Flower/Leaf Extract, Saccharum Officinarum (Sugar Cane) Extract, Dipotassium Glycyrrhizate, Fragrance, Citrus Medica Limonum (Lemon) Fruit Extract, and Pyris Malus (Apple) Fruit Extract.

OI-LIN® DEEP MOISTURE LOTION

Oi-Lin® Deep Moisture Lotion is Sunrider's best-selling moisturiser. It absorbs easily into the skin and acts as a lightweight primer, creating a smooth canvas for the makeup of your choice. The pH-balanced formula won't compromise your skin's epidermal layer, and works to reduce the appearance of lines and redness.

INGREDIENT HIGHLIGHTS

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturising effects. Potent humectant properties also promote skin softness and skin-plumping hydration.

WHEAT GERM OIL

Extracted from the germ of the wheat kernel, wheat germ oil helps to support the repair of skin cells that have been damaged by the sun, pollution, or an unhealthy diet. The antioxidants also help fight free radical damage, which can accelerate the aging process on the skin.

HYDROLYZED SOY PROTEIN

This ingredient is rich in essential amino acids vital to protein synthesis of both hair and skin. It supports the ability of the skin to hold moisture and provides a smoothing effect for minimising the appearance of roughness and wrinkles.

GRAPEFRUIT EXTRACT

The retinol in grapefruit extract repairs skin damage and fights fine lines. The astringent properties of this citrus extract help clear and tone the skin.

HOW TO USE

After cleansing your face with Oi-Lin Warm Facial Scrub and applying Oi-Lin Facial Toner with a cotton ball, apply Oi-lin Deep Moisture Lotion in the morning and at night to add vital moisture.

FAQs

- Q: How should Oi-Lin® Deep Moisture Lotion into my daily skincare routine?**
A: For best results, use Oi-Lin® Deep Moisture Lotion, morning and night, after cleansing with Oi-Lin® Cleansing Cream and Oi-Lin® Facial Toner, and before applying makeup.

INGREDIENTS

Water (Deionized), Caprylic/Capric Triglyceride, Olea Europaea (Olive) Fruit Oil, Stearic Acid (Veg Origin), Ethylhexyl Methoxycinnamate, Beeswax, Glycine Soja (Soybean) Sterols, Tocopheryl Acetate, Glyceryl Stearate, Emulsifying Wax NF, Persea Gratissima (Avocado) Oil, Cetyl Alcohol, Squalane (Veg Origin), Citrus Grandis (Grapefruit) Extract, Phenyl Trimethiconem Simmondsia Chinensis (Jojoba) Seed Oil, Triethanolamine, Carbomer, Methylparaben, Triticum Vulgare (Wheat) Germ Oil, Cyclomethicone, Ruscus Aculeatus (Butcherbroom) Extract, Propylparaben, Panthum Miliaceum (Millet) Seed Extract, Fragrance, Phenoxyethanol, Lysine PCA, Tocopheryl, Avena Sativa (Oat) Kernel Protein, Ceratonia Siliqua (Locust) Bean Gum, Dimethiconol, Symphytum Officinale Extract (Comfrey), Plantago Ovata Seed Extract, Phospholipids, Ethylparaben, Butylparaben, Hydrolyzed Wheat Protein.

PRODUCT CODE

14g #42070

INGREDIENT HIGHLIGHTS

SEA BUCKTHORN OIL

This plant is rich in collagen-facilitating vitamin C, folate, carotenoids, and essential fatty acids that support skin hydration, elasticity, and cellular regeneration.

JOJOBA SEED OIL

A natural emollient, jojoba oil's similarity to sebum allows it to absorb easily into skin, making it a gentle, skin-softening moisturiser for all skin types.

CUCUMBER EXTRACT

Providing natural emollient properties, cucumber helps soften and hydrate the skin. The lutein component of cucumber may help suppress melanogenesis, the process that leads to skin discolorations.

HOW TO USE

Apply Oi-Lin® Replenish Gel gently around the eyes, or any other area in need of intensive moisturisation. Lightly tap on top of other products and around orbital bone. Allow it to be absorbed.

FAQs

- Q: Why is the eye area particularly prone to wrinkles?**
A: The signs of aging show up in the delicate eye area first. This is because the eye contour has the thinnest and most fragile skin on the entire face. Lacking in sebaceous glands, collagen, and elastin fibers, it's also under the strain of 22 muscles in perpetual motion and 10,000 blinks per day. It's no wonder why the eye contour is the first area to show signs of aging.

INGREDIENTS

Cyclomethicone, Dimethicone, Polysilicone-11, Panthenol, Hippophae Rhamnoides (Sea Buckthorn) Oil, Phenyl Trimethicone, Fragrance, Dimethiconol, Jojoba Seed Oil, Cucumber Fruit Extract, Matricaria Extract, Witch Hazel Extract, Hypericum Peforatum Extract, Methylparaben, Propylparaben, Ethylparaben, Tocopheryl Linoleate, Evening Primrose Oil, Retinyl Palmitate, DL-Alpha Tocopheryl Acetate.

OI-LIN® REBUILD CREAM

Treat aging, damaged skin to a total rejuvenation by boosting its natural cycle of youthful renewal. Jojoba seed and avocado oils hydrate and plump while alpha hydroxy acids exfoliate dull, dead surface skin and stimulate collagen growth within. Watch the appearance of fine lines fade and texture dramatically improve.

BENEFITS

- Diminishes the appearance of fine lines and wrinkles
- Brightens and rejuvenates dull skin
- Reduces the appearance of large pores
- Smooths and refines skin texture

PRODUCT CODE

14g #42060

INGREDIENT HIGHLIGHTS

ALPHA HYDROXY ACIDS (AHAS)

These naturally occurring acids exfoliate skin, support the growth of collagen, and support increased blood flow to the skin to minimise the appearance of fine lines and promote a healthy radiance.

JOJOBA SEED OIL

A natural emollient, jojoba oil's similarity to sebum allows it to absorb easily into skin, making it a gentle, skin-softening moisturiser for all skin types.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing effects. Its potent humectant properties also support skin softness and plumping hydration.

HOW TO USE

Apply Oi-Lin® Rebuild Cream on the face and neck after cleansing and toning, and before moisturiser. Be careful to avoid the eye area.

FAQs

- Q: What other products should I use?**
A: Skin is especially vulnerable during exfoliation. Start with a two-step cleansing process (Oi-Lin Cleansing Cream and Oi-Lin Revitalizing Cleanser). Then use Oi-Lin® Facial Toner, followed by Oi-Lin Rebuild Cream. During the day, make sure to protect your skin by using an SPF formula.

INGREDIENTS

Aloe Vera Gel, PEG-8, Sugar Cane Extract, Glyceryl Stearate, Dimethicone, Stearic Acid, Lactic Acid, Citrus Extract, Apple Extract, Green Tea Extracts, Jojoba Oil, Beta Carotene (From Sea Buckthorn Plant), Triethanolamine, Phenoxyethanol, Fragrance C7 (1701549, 1701548), Avocados Oil, Tocopheryl Linoleate (Vitamin E Linoleate), Panthenol, Steareth-2 Retinyl Palmitate (Vitamin A Palmitate), Xanthan Gum, Methylparaben, Hydrogenated Vegetable Oil, Propylparaben, Corn Oil, Ethylparaben, Tocopheryl Acetate (Vitamin A Acetate).

OI-LIN® EYE CREAM

Go easy on the delicate skin around your eyes with our age-defying formula that fights fine lines and fades dark circles. Hyaluronic acid hydrates and plumps while protein-rich peptides promote elasticity and vitamin B5 hydrates and helps smooth visible wrinkles. Your eyes are left looking brighter, younger, and even more beautiful.

BENEFITS

- Fades the appearance of dark circles
- Refreshes and brightens
- Smooths the appearance of fine lines
- Protects skin from free radical damage
- Helps support elasticity and firmness
- Made with plant-based ingredients

PRODUCT CODE

14g #42020

INGREDIENT HIGHLIGHTS

SODIUM HYALURONATE

The super-hydrating properties of sodium hyaluronate will result in smoother, softer-looking skin, with decreased appearance of wrinkles and an all-around fuller appearance.

PEPTIDES

These amino acids are the building blocks of proteins in the skin. They can support collagen production, promoting firmer, smoother, and more youthfullooking skin.

SHEA BUTTER

The concentration of natural vitamins and fatty acids in shea butter makes it incredibly nourishing and moisturising for skin while also supporting collagen production. It's a natural remedy for dry skin and helps protect the skin's natural oils.

HOW TO USE

Apply to the skin around the eye area in a gentle dabbing motion morning and night. Follow with Dr. Chen® Refining & Lifting Cream and Oi-Lin® Replenish Gel. Store product in a dark area to preserve the effectiveness of the ingredients.

FAQs

Q: Why is a special treatment needed for the eye area?

A: The skin around the eyes is 6–10 times thinner than the skin on your face, and it ages much faster than other areas.

INGREDIENTS

INGREDIENT HIGHLIGHTS

SQUALANE

Our premium-grade, vegetable-derived squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

RESVERATROL

This natural antioxidant helps protect skin against free-radical assaults by neutralizing oxidative stress that can cause cell damage. We use a special extraction process to enhance its ability to penetrate the skin for maximum efficacy.

PEPTIDES

Peptides act as building blocks of proteins such as collagen, elastin, and keratin, which are the foundations of your skin and responsible for its texture, strength, and resilience. We use a special peptide—tripeptide-33—that also helps repair and prevent the signs of photo-aging.

HOW TO USE

For a.m. or p.m., after applying Oi-Lin Facial Toner and Dr. Chen Refining & Lifting Cream, smooth a generous amount over clean face and neck using gentle, upward motions.

FAQs

Q: What are plant stem cells and how do they benefit the skin?
A: Plant stem cells are generally taken from plants and fruits that can stay fresh for a long time or regenerate on their own. Dr. Chen® Youth Emulsion harnesses the power of two types of plant stem cells. One is vitis vinifera fruit cell extract—stem cells from a prized French grape. Packed with powerful antioxidants, this ingredient has been shown to effectively combat environmental stressors, including the damaging effects of UV rays. The second is from a fruit cell culture extract derived from a rare Swiss apple. Containing protective antioxidants and water-attracting phospholipids, these stem cells have been shown to safeguard and condition the skin while smoothing out the appearance of fine lines and wrinkles.

- Reapply:
- after 40 minutes of swimming or sweating
 - immediately after towel drying
 - at least every 2 hours

FAQs

Q: What does “CC” stand for?
A: CC stands for “colour correcting” or “complexion correcting.” The natural pigments in this lightweight formula instantly correct common complexion concerns, including redness, dark spots, dullness, sallowness, fine lines, and imperfections, while revealing a radiant glow. Your skin will look dewy and gorgeous, never overdone.

Q: Is Kandesn® CC Cream suitable for all skin types?
A: Yes! Made with botanically based ingredients, our skin-friendly formula is safe and gentle for all skin types, even sensitive skin.

Q: What skin tones does this product come in?
A: Kandesn® CC Cream comes in three skin tones: Fair, Light Medium, and Medium. Each versatile shade works beautifully on a range of skin tones and undertones.

KANDESN® SHAMPOO

Our formula gives lackluster locks an energising boost of volume and shine. Soy protein improves your hair's body, texture, and manageability while royal jelly and both avocado and jojoba oils nourish with essential vitamins, proteins, and protective antioxidants. Peppermint gently invigorates your scalp too.

BENEFITS

- Deep cleans but gentle enough to use every day
- Leaves hair full, bouncy, and manageable, without build-up
- Specially formulated with herbal extracts

PRODUCT CODE

240mL #34008

INGREDIENT HIGHLIGHTS

HYDROLYZED SOY PROTEIN

This soy-derived ingredient enhances hair manageability, improves the body, texture, and comb-through properties; it also contains cysteine for hair strengthening and nourishment.

ROYAL JELLY EXTRACT

A honey bee excretion, royal jelly nourishes hair and scalp with B vitamins and protective antioxidants.

AVOCADO OIL

This natural oil moisturizes dry, brittle, and damaged hair and is nutrient rich with vitamins A, B, D, E, protein, amino acids, and folic acid, which revitalise hair.

HOW TO USE

Wet hair thoroughly. Apply desired amount of shampoo. Massage lightly and rinse. Repeat these steps if necessary.

FAQs

Q: Deionized water is listed as the first ingredient. What is its importance in the formulation?

A: Water is crucial in formulating the base of a shampoo, acting as a suspension agent for our botanical extracts and other ingredients. It combines with the soap ingredient to form a lather. Without water, shampoo's consistency would be too thick. While hard or impure water can hinder the performance of shampoos, deionized water enhances performance by increasing lathering, ease of spreading, and clean rinsing.

INGREDIENTS

Water (Deionized), Tea Lauryl Sulfate, Cocamidopropyl Betaine, Menthol, Citric Acid, Phenoxyethanol, Stearamidopropyl Dimethylamine, Hydrolyzed Soy Protein, Fragrance, Polyquaternium-10, Eucalyptus Globulus Leaf Oil, Persea Gratissima (Avocado) Oil, Jojoba Oil, Methylparaben, White Nettle Extract, Long Leaf Pine Leaf, Matricaria Extract, Arctium Lappa (Burdock) Extract, Rosemary Extract, Arnica Montana Flower Extract, Watercress Extract, Royal Jelly Extract, Aloe Barbadensis Extract, Ethylparaben, Peppermint Extract, Propylparaben, Garlic Extract, Tocopherol, Olive Oil, Wheat Germ Oil, Butylparaben.

KANDESN® CONDITIONER

Fortify your scalp and hair with our deeply hydrating, lightweight formula. Vitamin E restores shine and fullness while providing antioxidant protection. Rosemary leaf and both avocado and jojoba oils soothe dry scalp while detangling, smoothing, and strengthening your hair against split ends and breakage.

BENEFITS

- Deeply conditions hair and scalp
- Softens and detangles for easy combing
- Lightweight, doesn't weigh hair down
- Fortifies hair and protects against breakage
- Supports the repair of split ends and smoothes frizzy hair
- Made with the finest plant-based extracts

PRODUCT CODE

240mL #34018

INGREDIENT HIGHLIGHTS

TOCOPHERYL ACETATE

A very stable form of vitamin E, that is able to penetrate the hair shaft, improving shine and fullness.

ROSEMARY LEAF

This essential oil soothes and conditions dry, flaky scalps. Rosemary has also been used traditionally to support follicle strength.

AVOCADO OIL

This natural oil moisturises dry, brittle, and damaged hair and contains many nutrients, such as vitamins A, B, D, E, protein, amino acids, and folic acid.

HOW TO USE

After shampooing with Kandesn® Shampoo, apply liberally and allow hair to absorb nutrients for 3 to 5 minutes. Rinse.

FAQs

Q: Why should I choose this conditioner over others?

A: Kandesn Conditioner's superior formula helps you comb through hair effortlessly after shampooing. Our enriching formula fortifies hair, preparing it for styling and taming flyaways and frizz. It's formulated with wheat protein, keratin, and specially developed amino acids to help rebuild and protect hair from breakage. Free of harsh synthetic agents that can irritate the scalp, the gentle, scalp-nourishing formula conditions without weighing hair down.

OI-LIN® SUNMILK SUNSCREEN SPF 30

Oi-Lin® Sunmilk Sunscreen SPF 30 is a creamy sunscreen you'll love to apply and reapply. The super sheer formula spreads easily and melts into skin instantly and provides protection that gently yet effectively shields skin from damaging, burning rays, while retaining its efficacy for up to 40 minutes activity in the water. The pH-balanced, sheer, lightweight formula is perfect for all skin types, but gentle enough for sensitive skin.

PRODUCT CODE

120ml #0138210

BENEFITS

- Super-concentrated, so a little goes a long way
- Lightweight, absorbs effortlessly
- Never heavy or greasy, a favourite among men and children
- Leaves no white residue
- Safe for children
- Made with herbal extracts

INGREDIENT HIGHLIGHTS

SQUALANE

A prized ingredient derived from olive oil, squalane has powerful antioxidant properties and delivers a moisturising effect that helps restore lost oils. Non-irritating, it works wonders on all skin types.

ALOE VERA

This succulent plant has been touted by many as their go-to moisturiser. It's also known for its soothing properties.

HYALURONIC ACID

A substance naturally found in the body, hyaluronic acid brings water to the surface of skin to keep it looking fresh and supple. It also helps skin repair and regenerate itself after suffering from dryness, environmental stresses, or irritation.

HOW TO USE

As part of your daily sun care routine, apply evenly and liberally to all exposed areas of the body 20 minutes before sun exposure. Reapply every two hours and after prolonged physical activity or swimming.

FAQs

Q: Is Oi-Lin® Sunmilk Sunscreen SPF 30 safe to use on my face?

A: Yes, Oi-Lin® products are formulated from the purest, most botanical-based ingredients the earth has to offer and are formulated with unmatched owner expertise. Plus, men love to wear this on their faces because it makes them feel like they're wearing nothing at all.

Q: Will it leave white streaks or feel heavy and greasy?

A: No. Our advanced formula blends seamlessly into all skin tones, while providing continuous sun protection. It's ingeniously designed to spread evenly and absorb into skin immediately, leaving no residue, stickiness, or heaviness.

INGREDIENTS

Active ingredients: Titanium Dioxide 10.08%

KANDESN® BEAUTY BAR

Our soapless soap keeps skin pH balanced by washing away dirt and impurities without stripping it of youthful hydration. Corn starch absorbs excess oil and deodorises while castor seed oil keeps skin soft, smooth, and supple.

BENEFITS

- Cleanses without drying out the skin
- Hydrates to leave skin soft and smooth
- pH balanced for skin that's moisturised, nourished, and balanced
- Natural ingredients promote the health and beauty of your skin
- Ideal for overall body cleansing

PRODUCT CODE

100g #32001

INGREDIENT HIGHLIGHTS

CORN STARCH

A fine white powder produced by milling maize seeds, corn starch is highly absorbent. It can help absorb any excess oil. Its soothing quality makes it an excellent remedy for skin problems.

CASTOR SEED OIL

A type of vegetable oil, castor seed oil is used as an emollient to maintain soft, supple skin.

FAQs

Q: What is a soapless cleanser?

A: Soap is typically made of a compound of natural oils or fats with sodium hydroxide or another strong alkaline solution. It's primarily used as a surfactant for washing, bathing, and cleaning. Soapless products are made without the combination of fats and alkaline products. Kandesn® Beauty Bar is slightly acidic and complements the natural pH balance of the skin, so your skin feels cleansed and refreshed but not dry.

HOW TO USE

Wet hands or body. Lather up with Kandesn Beauty Bar and rinse off.

INGREDIENTS

Sodium Cocoyl Isethionate, Cetearyl Alcohol, Hydrogenated Castol Oil, Corn Starch, Cocamidopropyl Betane, Glycerin, PEG-14M, Titanium Dioxide CI 77891, Lactic Acid, Disodium EDTA, Fragrance G100-20716.

KANDESN® HERBAL DEODORANT

Stay protected all day, without the heavy metals and chemicals commonly used in deodorants. Roll-up applicator goes on smooth with no messy residue. Lemon oil offers a citrusy, clean scent while zinc ricinoleate neutralises body odour and does not clog pores like antiperspirants.

BENEFITS

- No heavy metals or chemicals
- Long-lasting odour protection
- Won't discolour clothes

PRODUCT CODE

60g #01498

INGREDIENT HIGHLIGHTS

ZINC RICINOLEATE

A natural odour absorbing agent, this ingredient works by trapping odours products by bacterial decomposition in sweat. It does not block pores or interfere with the natural flora of the skin like antiperspirants.

TEA TREE OIL

Tea tree oil comes from the leaves of Melaleuca alternifolia, a small tree native to Queensland and New South Wales, Australia. It is an essential oil that has several uses, including keeping your skin, hair, and nails healthy. It also has well known antibacterial, antifungal, and antioxidant properties.

LEMON OIL

This essential oil has a fresh, clean fragrance.

FAQs

Q: Why should I stop using an antiperspirant and use Kandesn® Herbal Deodorant instead?

A: To prevent sweating, antiperspirants work by clogging, closing, or blocking pores with powerful astringents like aluminum salts. This inhibits the body's ability to regulate its temperature and eliminate toxins, two major functions. Our herbal deodorant neutralises body odour with natural ingredients while also combating odor causing bacteria. And it does all this while letting your skin breathe and function normally.

HOW TO USE

Turn dial to raise product. Glide on, applying evenly to underarm. Replace cap after each use.

OI-LIN® HAND & BODY LOTION

Our ultra-concentrated blend revitalizes your skin by locking in moisture and blocking out dryness. Soothing aloe vera gel nourishes while vitamin E shields with antiaging, antioxidant protection and rosemary leaf enhances elasticity. Your skin is left looking firmer, suppler, and dewy fresh.

BENEFITS

- pH balanced
- Locks in moisture
- No greasy residue
- Protects and nourishes dry skin
- Made with the finest plant-based ingredients
- Revitalises skin with herbal extracts
- Highly concentrated

PRODUCT CODE

240mL #45018

INGREDIENT HIGHLIGHTS

TOCOPHERYL ACETATE

This form of vitamin E is a known moisturiser and antioxidant that can reduce the signs of aging.

ROSEMARY LEAF EXTRACT

The stimulating properties of rosemary may help support elasticity, making skin look firmer and more supple.

ALOE VERA GEL

Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing quality. It moisturizes the skin without making it greasy, so it's suitable for those with oily skin.

HOW TO USE

Apply smoothly over the entire body, with extra care to dry areas. For additional benefits, apply before bedtime as overnight "nutrition" for the skin.

FAQs

Q: Can men use this product too?

A: Yes, Oi-Lin Hand & Body Lotion is imbued with a refreshing, gender-neutral scent to provide luxurious pampering for both men and women. Expertly formulated to be quickly and completely absorbed into the skin, it moisturises, protects, and conditions without leaving a greasy residue, which men really like!

INGREDIENT HIGHLIGHTS

ALOE VERA GEL

Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing qualities. It moisturises the skin without making it greasy, so it's suitable for those with oily skin.

ROSEMARY LEAF EXTRACT

The stimulating properties of rosemary may help support elasticity, making skin look firmer and more supple.

HOW TO USE

Place a small amount of liquid soap into palm. Bring to a lather with water and massage over skin. Thoroughly rinse off with water.

FAQs

Q: Why is Oi-Lin® Liquid Soap superior to other soaps?

A: Many commercial soaps use synthetic ingredients and overpowering artificial fragrances, and they often contain harsh ingredients that strip the natural oils from skin, which can cause excessive dryness, making the skin more susceptible to infection and irritation. The chemicals contained in the fragrances in scented soaps can cause additional problems. In healthy contrast, Oi-Lin Liquid Soap is expertly formulated with natural ingredients such as rosemary extract, aloe vera, panax ginseng root, cucumber extract, and orange peel extract. Oi-Lin Liquid Soap keeps the natural acid mantle on the skin intact, which enables it to retain moisture better.

SUNSMILE® FRUIT & VEGETABLE RINSE

Wash away dirt, pesticides, waxy coatings, and other contaminants the safe, natural, and healthy way. Made from eco-friendly surfactants from corn and coconut, our super-concentrated, biodegradable rinse thoroughly cleans fruits and vegetables in minutes. SunSmile® Fruit & Vegetable Rinse is safe for your family and the environment, so you can enjoy peace of mind along with cleaner, brighter, tastier produce.

PRODUCT CODE

475mL #60056
30mL, trial size #60051

BENEFITS

- Removes dirt, pesticides, waxes, and other contaminants
- Leaves fruits, vegetables, and herbs clean and ready to enjoy
- Super concentrated—one capful mixes with one gallon (3.75 L) of water
- Cleans produce in minutes
- Safe for people and the planet

INGREDIENT HIGHLIGHTS

DECYL POLYGLUCOSE

Derived from corn, this versatile, sulfate-free “green” surfactant is gentle on produce and non-irritating yet tough enough for serious surface cleaning.

FAQs

- Q: Do I need to wash organic produce?**
A: Yes. Even if you buy organic fruits and vegetables, the handling, packaging, shipping, and in-store displays may introduce a variety of contaminants. Likewise, even pre-washed produce might still have dirt, residue, bacteria, and chemicals on it.
- Q: What is the cleansing agent in SunSmile® Fruit & Vegetable Rinse?**
A: Our formula is powered by a biodegradable surfactant derived from corn starch (decyl polyglucose), which is edible and doesn’t contain harmful residues.

HOW TO USE

Mix 1 inner capful of SunSmile® Fruit & Vegetable Rinse in 3.75 liters of water.

For fruit and vegetables, dip in diluted solution for 1 minute. Pat dry or use straight out of the solution. For waxy coatings, dip fruit and vegetables in diluted solution for 5 minutes and wipe dry.
