

## EXPIRATION OF POINTS

You need to order 150 PPV or more each month to keep your Reward Points valid and to maintain your progressive rewards rate. If you don't accumulate at least 150 PPV by the end of each month, your points will expire.

But don't worry, our system is designed to get you right back on track—so even if your Sunrider Points expire, your progressive tier rate will reset to that of months 1–3.

## SHIPPING & HANDLING

When you redeem your points for products, your only responsibility is paying the shipping and handling fees, plus any applicable taxes. This applies whether you add Rewards products to an existing order or if your Rewards products comprises the entire order.

## REDEEMING SUNRIDER POINTS

Another great part of our program is the ability to redeem your Sunrider Points at any time. And you can add your Reward products to an existing order, or simply redeem your points for a Reward product only order! Your rewards, your way!

With a simple click of the "Redeem Now" button, you get instant access to the redemption page, where you will find a range of products to choose from, each displaying a reward price based on Sunrider Points.

**Your points are exclusively for redeeming Sunrider® products and are not transferable or redeemable for cash or cash-equivalent,** as the points are intended to enhance your Sunrider shopping experience.

## PRODUCT AVAILABILITY

We are pleased to offer a wide selection of products to complement your healthy lifestyle. Please note that some products may be unavailable due to low inventory or special promotions.

WHERE SHOPPING HAS BECOME  
MORE REWARDING THAN EVER

We are excited to unveil our brand-new Sunrider Rewards program. Think of it as a loyalty club designed to transform your purchases into valuable points that can be redeemed for a wide array of Sunrider® products. It's more than just shopping; it's shopping with exceptional rewards!

## ELIGIBILITY

Sunrider Rewards is exclusively open to Independent Business Owners (IBOs) and Preferred Customers (PCs). This means that all IBOs and PCs within the Sunrider community can embark on the exciting journey of earning fabulous rewards.

## WHAT IS PERSONALLY PURCHASED VOLUME (PPV)?

Personally Purchased Volume (PPV) refers to the Volume Points (QV) you personally purchase with your Sunrider IBO or PC account. This is different to Personal Volume (PV) as it Does Not Include volume from your Retail Customers (RCs) and Preferred Customers (PCs) purchases.

You can check your accumulated PPV and Sunrider Rewards point balance anytime inside your Sunrider Workspace by logging into your account at [au.sunrider.com](https://au.sunrider.com)

## EARNING SUNRIDER POINTS

Unlocking your rewards is as easy as it is exciting. You earn Sunrider Points (or "points") based on your Personally Purchased Volume (PPV), and we count total cumulative orders over each calendar month. For instance, if you place two orders with 100 PPV each, you will receive 200 PPV to be converted into points, based on a percentage.

To earn redeemable points, all you have to do is accumulate the necessary PPV within a month, as outlined in the table below. Moreover, the reward amount increases progressively based on the PPV amount and the number of consecutive months you have been earning a PPV amount.

TIER (PPV)	Months 1-3	Months 4-6	Months 7-9	Months 10+
150 – 300 PPV	50%	60%	70%	80%
301 – 450 PPV	60%	70%	80%	90%
451+ PPV	80%	85%	90%	100%

\*The maximum reward points that can be earned in a month is 500.

As a point-earning example, if your PPV was 200 (≈\$240\* AUD) for the first month, you would earn 50% of 200 = 100 Reward Points

If your PPV was 200 for each of the first three consecutive months, you would earn 50% of 600 (≈\$720\* AUD) (3 months x 200), which is 300 points (600 x 0.5 = 300)

If you continue to maintain your PPV at 200 again for the 4th month, you would now move to the next percentage and you'd earn 60% of 200 = 120 points.

Keep staying consistent at 200PPV (≈\$240\* AUD), and by month 10, you will be earning 80% of 200 = 160 Sunrider Reward points!

\*Dollar values are approximations only. Please refer to the second last column in the latest Sunrider Australia Price list for exact QV value of each product you wish to purchase.
