

A person wearing a white button-down shirt is pouring a golden liquid, likely tea, from a white ceramic teapot into a white ceramic cup. The scene is set on a white surface, possibly a table, with a wooden tray. In the foreground, there is a small white bowl containing several fresh strawberries. To the right, a golden-brown croissant is visible. The background is softly blurred, showing hints of greenery and light filtering through a window.

FREQUENTLY ASKED QUESTIONS

Q1: Do my earned points have an expiration date?

A1: Yes, the points can be redeemed for 60 days, that is, they can be purchased for products; after that they are deleted. We send you an e-mail at the beginning of each month about the current status of your points, or you can request information from customer service.

Q2: If I buy products for a gross amount of HUF 118,000 within one account, can I get double points?

A2: No, in this case too, 12.5 points are awarded for the purchase.

Q3: If I register someone as a Premium Customer, is it necessary for them to purchase HUF 39,000 in order to get 10 reward points?

A3: Yes, the newly joined Premium Customer must purchase HUF 39,000 in order for you to receive 10 reward points, but the date of purchase on a single account is not bound by time.

Q4: If I buy every month as a Premium Customer, do I automatically receive points?

A4: No, you will only receive 25 points if you make a single invoice purchase of HUF 39,000 gross at least once a month for 3 consecutive months.

Q5: Do I have to pay an annual fee as a Premium Customer?

A5: Yes, the renewal fee is HUF 6,850 gross each year, and if you make a purchase over HUF 63,500 gross 30 days before the end of the annual anniversary, your Premium Customer status will be automatically extended.

Q6: What is the HUF value of one point?

A6: One point is equivalent to HUF 300.

Q7: How do I know the status of my points?

A7: The value of the earned points will always be on the account, and you will be notified by email every month about the status of your points. In addition, you can inquire at the customer service at any time.

Q8: How can I redeem my points?

A8: The points can be used for any purchase, up to a maximum of 50% of the total amount of the bill.

Q9: How can I recommend a Premium Customer?

A9: The recommender must report the new Premium Customer to the customer service via e-mail sunrider@sunrider.hu. Please write: Premium Customer's recommendation in the subject line of the email.

Q10: Is it possible to make up for missed purchases from the previous month?

A10: No, the purchase is always for the given calendar month.

We created our herbal formulas by combining professional expertise with the most modern technology. Sunrider's world-class products support the health, well-being, beauty care and household of you and your family with a holistic approach, taking into account the functioning of the entire organization.

An outstanding company in the herbal food supplement market

The founders are medical doctors who, based on their specialized knowledge, combine Chinese medicine based on millennial traditions with advanced Western medical science.

Nutrition + Cleansing = Balance

When you nourish and cleanse your body with carefully selected and controlled, natural ingredients - without harmful chemicals, preservatives and flavor enhancers - you bring your body into balance.

Natural ingredients, additive-free

Our products are made from nutrient-rich, wholesome ingredients that are free of GMOs and artificial additives. Most of our products are Kosher and Halal certified.

Whole foods

There is no such thing as a perfect food or ingredient, as too much or too little of a particular type of food can throw the body off balance. Sunrider® products provide an excellent source of vital energy levels.

Proprietary expertise

Many companies produce their products in contract manufacturing. Sunrider® manufactures in its own factories, so it can control every single production process. During the nine-step patented manufacturing process, we can personally verify that quality requirements, safety, and cleanliness are being met, so we produce all of our Sunrider® products to the highest standards.
