GREAT SKIN STARTS WITH GREAT SKINCARE

Skincare shouldn't be complicated. Kandesn® Pure is a simple four-step regimen that delivers simply beautiful results.

1

Detoxify

KANDESN® PURE CLEANSING OIL

This soothing, lightweight cleanser detoxifies your skin while gently removing dirt, pollution, excess sebum, and other oil-based impurities. It even melts away waterproof makeup, sunscreens, and stubborn product buildup. Natural botanicals like apricot kernel oil, coconut alkanes, and jojoba seed oil actively nourish your skin while giving your pores a deep clean. Rinse to reveal clean, refreshed skin with no greasy residue.

2

Purify

KANDESN® PURE FOAMING CLEANSER

This water-based cleanser gently lifts away dirt, sweat, and other pore-clogging impurities without irritating or stripping your skin of vital moisture. Nourishing herbal extracts from chamomile flower, inula helenium, and beet root purify, hydrate, and protect your skin while allantoin and rose flower water help calm, tone, and revive radiance. Richly foaming and pH-friendly, our hydrating formula leaves your skin soft and supple, never tight and dry.

3

Refresh

KANDESN® PURE BEAUTY WATER

This delicate blend of botanical extracts resets your skin's natural pH level after cleansing, to balance and hydrate while creating a clean base for your beauty routine. Our skin-loving formula is alcohol-free and enriched with Turkish rose oil, witch hazel water, and chamomile flower extract to calm, soothe, and revive even the most irritated skin.

4

Quench

KANDESN® PURE HYDRATING GEL CREAM

This sheer, silky gel cream instantly melts into your skin to give it the nourishment and quenching moisture it craves. Lightweight yet luxurious, our renewing formula is infused with botanicals like sunflower seed oil, beet root extract, and Arnica montana flower extract that help repair, refresh, and protect your skin, while sodium hyaluronate attracts moisture from the air to provide plumping hydration.
